File No. 4-2133.

Memorandum; OTTAWA -

Request for Transfer of Dominion Land under Section 27 of the Soldier Settlement Act.

Re: Edward Thew, (Deceased)
S.W.¼ 33-52-7 W.5th M. (Hsd.)

The above-described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in November, 1919. The following advances were made in this case: land, $1300.00; stock and equipment, $1193.50; special advances, $330.67; permanent improvements, $1025.54, (preparing farm for Settlement), making a total of $3849.71. As security the Board holds a charge on the settler's homestead. There is no other land security in this case as the N.W.¼ 33-52-7 W.5th M., purchased for the settler has been resold.

In November, 1920, it was reported that the settler had abandoned his farm but that his wife was still in possession. It was further reported at that time that the settler has illegally disposed of certain stock purchased by the Board without making an accounting to the Board. The settler returned to the farm in March, 1921, but within a few days of his return, he got into an altercation with a neighbour farmer who shot him. Owing to the unsatisfactory state of the deceased settler's affairs, Mrs. Thew could not see her way clear to take out Letters of Administration. The Board had no other course, therefore, but to serve Thirty Day Notice on all interested parties. This action was taken on the 4th April, 1922. Further Thirty Day Notice was addressed to those concerned on the 5th September last. No reply was received to any notices served by the Board.

After crediting the sale price of the quarter-section purchased for the settler, his indebtedness amounts to $3204.96. The homestead is described as being very poor parcel of land. It was appraised in November, 1925, at $262.50. No arrangements have been made for the disposal of this land but an enquiry has been received from a prospective purchaser.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as $489.54 of the advances referred to in the second paragraph hereof were made to the settler after the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited;

Memorandum:-

Application for patent of
Wm. Schmeis, for the
S.W.¼ of 14--31--11, W. 4th M.

This man claims the necessary six months' residence in 1910, from the 1st April to 1st October.

It is perfectly clear from his own declaration of the 4th October, 1911, made at Calgary that his residence in that year was only from the 15th April to the 15th August. This leaves him one month short in his first term, but the remainder of the duties have been well performed.

The Inspector's report now gives the necessary six months in 1910, which is evidently wrong.

As the time involved is only one month, perhaps you would be willing to pass this application as a special case.

Respectfully submitted,

J. B. Greenway, Esq.,

This case has been submitted and it has been decided that the statement as contained in that declaration must be taken as correct and that you will require to show to the satisfaction of the Department that you have completed a period of six months residence in each of three years before your application for patent can be given further consideration.

Re W. ½, 14-31-11-W. 4th Mer.,
Wm. Schulteis.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens now registered against the W. ½, 14-31-11-W. 4th Mer., for advances made to Wm. Schulteis, be disposed of as follows:-

That all liens be discharged from the S.W. ¼, 14-31-11-W. 4th Mer., and that the full amount thereof be written off, in so far as this quarter section is concerned.

That the total amount payable upon said liens be retained as a first charge against the N.W. ¼, 14-31-11-W. 4th Mer.,

The Board submits the report of the Acting Director, Debt Adjustment Act, dated March 13th, 1929, and states in support of the recommendation:-

1. That prior to the advances being made the debtor mort - gaged the S.W. ¼, 14-31-11-W. 4th Mer., to the Canadian Mortgage Investment Company.

2. That the Mortgagees have been compelled to foreclose upon their security, and that they are now the registered owners of this quarter section.

3. That the Mortgagees have satisfied the Board that their actual capital expenditures under the mortgage exceed the value of the land, and that they will sustain a loss in realising upon their security. The principal amount payable to the Mortgagees being $1,407.58, while they have secured a purchaser at the sum of $1,200.00, on terms. That owing to the fact that the Mortgagees have sustained a loss in realising on their security, that all liens registered against this quarter section be discharged, and the full amount written off, in so far as this quarter section only, is concerned.

5372542

5. That the N.W. ¼, 14-31-11-W. 4th Mer., was the debtor's pre-emption, entry to which has been cancelled.

6. That this is vacant Crown land, but has some value, and it will not unduly handicap any entrant to assume the liability chargeable against same.

7. That having in view the conditions prevailing it is desirable that the total amount payable upon said liens be retained as a charge against the N.W. ¼, 14-31-11-W. 4th Mer., only.

Dear Sir:

Re: Wm. Schulteis - Dominion Liens
W½ 14-31-11-W.4th

On April 24th 1915, William Schulteis obtained a fodder advance of $35.62 from the Department of the Interior. He has made no repayment of his indebtedness, with interest to February 28th 1929, amounted to $60.30.

A lien for $35.62 was registered onttitle to SW 14-31-11-W.4th on 17th April 1916, when it stood in the name of the debtor; while the advance constitutes a charge on NW¼ 14-31-11-W.4th the debtor's cancelled preemption.

On 12th July 1915 Schulteis mortgaged the SW¼ 14-31-11-W.4th to the Canadian Mortgage Investment Company who registered the mortgage on the title on 28 July 1915, they foreclosed and obtained title subject to the Dominion Lien on 14th December 1925.

They have applied for cancellation of the Dominion Lien on the ground that they are sustaining a loss under their prior mortgage.

They have submitted statement of the amounts outstanding under their mortgage in which are included the following items:

Principal	$650.00
Taxes paid	291.70
Foreclosure costs	175.00
5% Simple Interest as allowed by the Board	310.88
	1407.58

The Canadian Mortgage Investment Company have sold this land for $1200.00, and as I have obtained valuations from two different men, one of whom values the property at $1200.00 and the other at $1300.00, I am of the opinion that the sale price represents the fair sale value of the land.

Also I think it may be safely inferred that the Mortgage Company in selling would do their best to get the best price for the land.

It is clear that the Mortgage Company have sustained a loss, and in view of the ruling by the Department of the Interior to the effect that, when a prior mortgagee can establish that a loss is being sustained no objection will be raised to cancellation of Dominion Liens, I recommend that the Dominion Lien registered on title to SW¼ 14-31-11-W.4th be unconditionally released.

I further recommend that the fodder lien be retained against the cancelled preemption NW¼ 14-31-11-W.4th until application is made for adjustment by a new entrant.

I can make no recommendation to write off this account pendingapplication for adjustment of the lien on the cancelled preemption.

Re: William Schultheis

Memorandum:

Mr. Perrin.

Under the legislation authorizing the apportionment and adjustment of the seed grain, fodder and relief indebtedness, the Adjustment Board of Alberta has submitted a report dated the 1st ultimo, marked hereunder.

The indebtedness in this case consists of advances as follows:

Year	FEDERAL Principal	Amount due 25.3.29
1915	$35.62	$60.30

The Board represents that prior to the advances being made to the debtor he mortgaged the S.W.¼ to the Canadian Mortgage Investment Company, and that the mortgagees have been compelled to foreclose upon their security. The mortgagees have satisfied the Board that their actual capital expenditure exceeds the value of the land, and that they will sustain a loss in realizing upon their security. It is recommended that the liens be written off as affecting this quarter.

In connection with the N.W.¼, it is recommended that the lien be retained against the land until an application is made for an adjustment by a new entrant, this being the cancelled pre-emption of the debtor.

From a perusal of the report I am of the opinion that the conclusions are just and equitable, and I presume it will be in order to have a Memorandum to Council prepared.

In the matter of your report with regard to an adjustment of the seed grain indebtedness of William Schultheis of the 1st May last, file B.O. No.675, and your statement under para. 6 on page 2 that the North West quarter of Section 14, Township 31, Range 11, West of the 4th Meridian, is vacant Dominion land, I beg to inform you that Clarence Richard Schultheis was granted entry for this land on the 17th January last as a soldier grant, in connection with which he assumed the seed grain indebtedness of the said William Schultheis, subject to an adjustment.

Inasmuch as the seed grain indebtedness amounts with interest as of the 28th February, 1929, to $60.30, and that under the Board's order no portion of the amount is to be held against title to the South west quarter of Section 14, Township 31, Range 11, west of the 4th Meridian, but solely against the North west quarter of the said section, and notwithstanding your statement that the latter quarter-section is of sufficient value to warrant the handicap, would you advise me whether or not the Board is prepared to make an adjustment on behalf of the present entrant, a returned soldier, relieving him say of the interest, and holding him liable for payment of the principal sum of $35.62 only.

Supplementary to Board Order No. 675.

On March 15th, 1939, I submitted a report recommending the unconditional release of the Dominion liens in so far as they affected the SW 14-51-11-4, but that the charge be retained against the cancelled pre-emption, viz: NW 14-51-11-4 until an application for adjustment had been received from a new entrant to that property.

I am advised that this recommendation was duly approved by the Board and Board Order No. 675 issued to cover this case.

A letter has now been received from the Department of the Interior advising that one, Clarence Richard Schmitheis has now been granted entry for the NW 14-51-11-4 as a soldier's grant and requests an adjustment of the indebtedness which amounted to $60.50, as at February 28th, 1939, which indebtedness he assumed at the time of entry.

This property has some value, but, in view of the fact that the new entrant derived no benefit from the fodder advances for which this lien was registered, and taking into consideration the services rendered by this man in the Overseas Forces, I am of the opinion that the interest charges should be waived, and would, therefore, recommend that this land be held liable only for the principal amount of $55.62.

By recommendation No. 675, the Seed Grain & Relief Adjustment Board, appointed under Order No. 2200, recommended that all liens registered against the S.W.¼, 14-31-11-W. 4th Mer., be discharged, and that the total amount of the liens be retained as a charge against the W.W.¼, 14-31-11-W. 4th Mer., the debtor's cancelled pre-emption, until such time as application for adjustment was made by a new entrant for this land.

The Board is now informed that Clarence Richard Schultheis has secured entry for the W.W.¼, 14-31-11-W. 4th Mer., as a Soldiers' Grant, and that the entrant has made an application for the adjustment of the liability of the original debtor which is registered against the said land.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated June 21st, 1929, and recommends as follows:-

1. That the amount of the liability now registered against the N.W.¼, 14-31-11-W. 4th Mer., be reduced to the sum of $35.62, being the amount of the original advances made against the said land.

Seed Grain Advisory Board.

Re: Account of Wm. Schultheis
N.W. 14-31-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder amounting to $35.62 was advanced to Wm. Schultheis on the security of the S.W. & N.W. 14-31-11-W4. Under authority of Order in Council P.C. #274/108 dated the 16th of January 1930, the S.W. 14-31-11-W4 was released unconditionally as security for the lien and the sum of $26.24 was written off as a loss. The balance of the indebtedness has since remained as a charge against the N.W. 14-31-11-W4. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 35.62	$ 41.33	$ 76.95

The N.W. 14-31-11-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 2nd of January 1929 and the land is still unalienated Crown Land held in the right of the Province.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

MEMORANDUM.

MR. J. A. OTTE,-

[illegible] The Canadian Northern Railway Company has applied to purchase the above quarter-section containing 160 acres for gravel purposes.

This land is situated on the Goose Lake Extension of the Canadian Northern Railway Company and the Company has procured an abandonment from W. J. Smouldice who holds this land under homestead entry.

Under a recent decision an entrant of a homestead, purchased homestead or pre-emption may abandon his land to a railway company when such land is required for gravel purposes, thereby exhausting his homestead, purchased homestead or pre-emption right. The land may be sold to the railway company at $5.00 per acre.

In view of the above I beg to recommend that the above quarter-section be sold to the Canadian Northern Railway Company for gravel purposes at $5.00 per acre.

In the Matter of the ____ of Section ____

Township ____ Range ____ West of the ____ Meridian.

I, ____

of Edmonton Province of Alberta

do solemnly declare :—

That I made entry for the above-mentioned land as a

at the Dominion Lands Office at Edmonton on

the ____ day of ____ 191 .

and I now ask to have said entry cancelled for the following reasons, namely : —

(Here state reasons) (2) I do not like the location of the said land as I should have taken the N.E. quarter of said section instead of the S.E. quarter as the water on the S.E. quarter is very poor and the N.E. quarter is very much better for farming purposes.

(Here state nature and extent of residence and, if not on homestead, where performed.) (3) ____

(Here describe the improvements and state value thereof give area of breaking and cultivation each year.) ____

(Here state if intention is to immediately re-enter for other land.) (4) ____

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

The Soldier Settlement Board

File No. 3-1807.

Copy of the Chairman's

OTTAWA - 22nd January, 1929.

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Donald Gibson,
N.E.¼ 23-28-14 W. 4th M.(S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 9th April, 1920, the settler secured advances from the Board totalling, $3560.05, as follows: stock and equipment, $1430.00; permanent improvements, $917.00; special advances, $1213.05. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a first mortgage on the settler's patented homestead, the N.W.¼ 23-28-14 W. 4th M.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler, dated the 14th December, 1928.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1081, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. The settler is still in residence upon the land but desires that title be issued as aforesaid in order that he may be in a position to negotiate a sale should he decide to do so at a future date, and in order that it may be held by the Board as security for the advances granted.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 23-28-14 W. 4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 38 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his original entry for his soldier grant, which was his pre-emption entry.

A Vesting Order for signature is attached hereto.

Deputy Minister of the Interior,
OTTAWA.
